

Customer Service Management System

By: SHINY ZERUBBA RAJIVE S

Date: 11-MAY-2026

This screenshot shows a Jira epic view for 'Customer Service' (SCRUM-7). The interface includes a description section with a list of features: 'Your Orders', 'Returns and Refunds', 'Manage Address', and 'Manage Prime'. Below this is a 'Child work items' section with a progress bar indicating '25% Done'. A table lists the work items with their IDs, titles, priorities, assignees, and statuses.

Work	Priority	Assignee	Status
☒ SCRUM-8 Track Packages	M...	Una	DONE
☒ SCRUM-9 Return Requests	M...	Una	IN PROGRESS
☒ SCRUM-10 Manage Address	M...	Una	TO DO
☒ SCRUM-11 Prime Membership	M...	Una	TO DO

On the right, a 'Details' sidebar shows fields for Assignee (Unassigned), Labels (None), Parent (None), Team (None), Due date (None), and Start date (None).

This screenshot shows a Jira board view for the 'Customer Service Project'. The board is organized into three columns: 'TO DO' (2 items), 'IN PROGRESS' (1 item), and 'DONE' (1 item). Each column contains cards for 'Manage Address', 'Return Requests', and 'Track Packages', each with a 'CUSTOMER SERVICE' label and a 'SCRUM' ID. A 'Complete sprint' button is visible at the top of the board. On the right, a 'Jira work item' sidebar shows details for 'SCRUM-8 Track Packages', including a description, subtasks, and linked work items.
